

## Great Totham Primary School Uniform Policy

School uniform plays a valuable role in contributing to our ethos. It helps to instil pride in the school, support positive behaviour and discipline, encourage identity with the school and protect children from social pressures to dress in a particular way. The school uniform policy is therefore compulsory and the school reserves the right to temporarily exclude pupils who persistently do not comply.

We are committed to keeping any costs associated with our uniform to a minimum. Most items are generic and can be purchased from a variety of retailers. Branded items such as school jumpers are purchased directly from the school and the school makes no profit from selling these. In addition, second hand uniform sales are held at the end of every summer term.
