# How to access Google Classroom for Year R and Year 1 families using an Apple Device
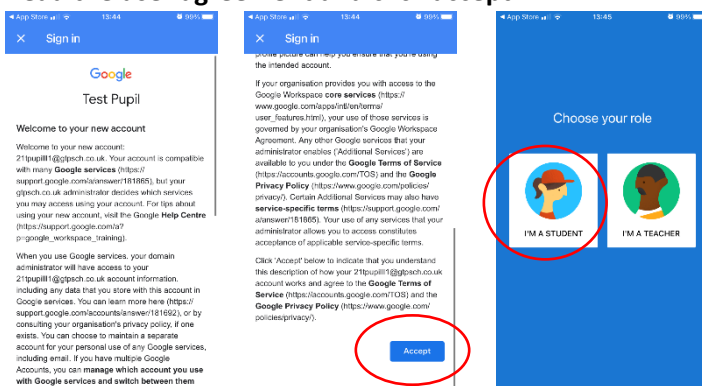

1. **Download the Google Classroom App and click 'Get Started'**
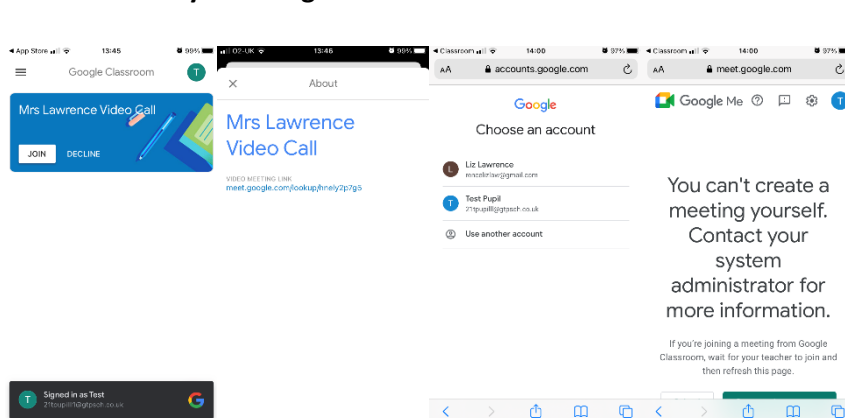

2. **Enter your child's email and password (sent via ParentMail).**

3. **Read the user agreement and click accept**

4. **Join the class by selecting 'Join'.**

5. **You are now joined into the 'Video Call/Conversation group' class.**

If you need contact with the teacher, please use Tapestry or the class emails. Parents or children should not write messages on the class stream.
