

Home School Agreement

We believe children achieve best when parents and school work closely together in partnership.

To gain the most from this shared relationship everyone needs to be clear on what they can expect from one another.

This Home-School Agreement is intended to provide a clear framework from which we can all work. We aim for all children to develop into confident young people, capable of independent learning, ready and willing to operate as responsible effective members of the community and equipped to face future challenges.

Our school motto is to
'Enjoy, Respect, Achieve'
