

Her Majesty,
The Queen

21 April 1926 - 08 September 2022

Her Majesty Queen Elizabeth

1926-2022

We would like to extend our sincere condolences to the new King and the entire Royal Family, for their deep personal loss.

Great Totham Primary School joins the nation in mourning our remarkable long-serving monarch and also in celebrating her spectacular life.

Dear Parents, What a lovely first week back we have had with so much energy and enthusiasm from the children. I hope you are all settling back into the term time routines after the summer break.

We are looking forward to the most 'normal' year for some time and one of our priorities will be to support our families with maintaining good attendance and arriving at school on time. As a reminder good attendance, as defined by the government, begins at 96%. As you know, term time holidays cannot be authorised except in the most exceptional of circumstances and medical/dental appointments should wherever possible be made outside of school hours.

We never want children who are poorly to be in school, but we try hard to balance this with building resilience when feeling a little under the weather – after all Calpol can work wonders! We will always call you if your child becomes too unwell during the school day.

We will be proactive in contacting you if attendance or punctuality seems to be an issue and please do not hesitate to talk to class teachers or Mrs Wilson, our Family Support Worker, if we can help. Let's work together to have a wonderful school year with everyone achieving 96%+ attendance.

Teaching staff have today been talking with the children about the death of Her Majesty The Queen and we have also discussed this in our whole school assembly this afternoon. We await confirmation of the funeral date in due course.

Attached you will find the termly curriculum letters for your year group(s), this lets you know what topics the children are covering this term and any important dates coming up. It also includes top tips on how you can best support your child.

We are really looking forward to welcoming our new YR classes from Monday.

Kind regards,

Sarah Vass, Headteacher
